Dear Ms. Rinnier:

Attorney General Bill McCollum's office forwarded to me a copy of your e-mail regarding your daughter's death investigation.

Please accept my sincere condolences to you and your family on the loss of your loved one.

Sergeant Jim Sessa of our Criminal Investigations Division was assigned to contact you on my behalf. It is my understanding that he spoke to you by telephone and explained that Laura Bowdoin's death is still an open case. There were no signs of foul play discovered either at the scene or during the autopsy. Sgt. Sessa also spoke with the Medical Examiner and confirmed that a full toxicology screen was performed. Detective Michelle March is the detective handling this case. I recommend you contact Captain Brian Moyer, commander of our Criminal Investigations Division, at 727-844-7708 should you want to discuss the handling of this investigation.

They never went into the home

Sincerely,

Bob White
Sheriff

Case was not even marked suspicious - Sheriff was going through an election and asked us to wait until the election was over and would jump right into the case. After the election, he goes away for a month hunting

Thanks Mary
